Mini Ambassadors of West Texas

Mini Programs

Our mission is to provide the children, youth and elder adults in our community with a unique equine experience that will lift their spirits and bring hope and healing into their lives.

Additional Goals

Our mission is dedicated to bringing our "mini ambassadors" to the community by creating an exceptional equine experience to all kinds of eldercare, schools, medical facilities, special need camps, community and public events. We want to share their gift of producing smiles to those who need a bit of sunshine, or just to be a special friend for that moment. *We're only a call or email away!*

Schedule Your Visit Today - Our calendar fills fast as most visits are on weekends or holidays as most volunteers work full-time jobs.
